CONSULTING CIVIL ENGINEER

Ref. No.: st_Zee school.doc

Date : 04/06/2024

TO WHOM IT MAY CONCERN

STABILITY CERTIFICATE

This is to certify that the main school building for 'Mount Litera Zee School', situated on R.S.no.: 77/1/1, 77/1/2 & 77/1/3, Block no.: 218, Moje: Veluk, Taluka: Olpad, District: Surat; was designed by me for Ground floor + 3 upper floor + Terrace floor. Ground floor and 3 upper floors are constructed at site and are ready for the intended educational use.

The structural design of the school building incorporates Provisions of relevant practice codes (i.e. IS: 456-2000, IS: 875 Part II and IS: 1893). The ground floor was constructed in 2013 and 3 upper floors were constructed in June 2018. The Ground floor & 3 upper floors can be used for its intended educational use.

Along with this Canteen building was also designed by me for Ground floor + 2 upper floors and it is safe for its intended use.

Changes / Alterations of any kind i.e. change of use, altering wall positions or any alteration; involving structural configuration shall not be done without our prior written permission.

This certificate is valid up to 5 years from the date of issue. After that the structure should be inspect and stability certificate can be taken from structural engineer.

Your's faithfully
